V-Cop Silver GSM Hybrid Intrusion Alarm System

Product Description:

V-COP Silver Intrusion Alarm Panel is a sophisticated home/office security system. System can read inputs from 9 wired & 32 wireless sensors to detect an emergency condition. A LCD display situated on the front panel gives the visual indication of various activities carried out. It can display exact cause of alarm. It has rare ability to connect 2-wire conventional smoke or heat detectors. Any alarm or trouble conditions are reported in both audio-visual manners.
