

Realty Automation & Security Systems Pvt. Ltd.

Z+ Wireless Intrusion System

Product Description:

Z+ is ideal security system for small flats, shops. It's a simple device which will sense intrusion using wireless sensors like Door Magnetic Sensors. The system can be Armed or Disarmed using wireless remote control. Remote can also be used as Panic Switch to alert neighbors in case of medical emergency or physical attacks or robberies.

A compact 90dB Siren is sufficient to alert people around your premise. The system can be mounted on wooden panel or wall. We recommend to provide power through home inverter /UPS to avoid power outages.

Product Features & Specifications:

- 7 wireless sensor inputs
- 4 wireless Remotes inputs
- LED Indication Arm, Disarm
- Zone Indication Zone1 to Zone7
- Wireless Range 100mtrs in open air, line of site

Note: Wireless Remote Control Also Available.
