Public Address System---- A square

6W Ceiling Speaker – 20nos

10W Box Speaker -08noswith 240W Amplifier.

This PA System was integrated with Fire alarm System.

Brand Factory is well known for their fresh and trendy fashion collections where customer can buy various branded fashion garments under one roof.

Project Challenges: Commissioning, Third party integration, Customer satisfaction with Project completion in given time frame. Arrange material in very short time frame. We completed the project in given time with quality work. We completed our Project Planning, Execution, Installation, Commissioning & Handing over successfully.

Repeat business: We got the Future Groups other orders in XION Premises like Big Bazaar and E-Zone where we Installed Fire Alarm system.
